

## **Darlene Benton**

Singer Darlene Benton will be the featured vocalist at the second annual Juneteenth Festival on historic Woodstock Square on Saturday, June 17 from 3 to 6pm.

Benton has been singing since the age of four. Her path has taken her to gospel and jazz. She has sung throughout the Chicagoland area at such notable venues as the Auditorium Theatre, the House of Blues, the Chicago Hilton, and the Hemmens Culture Center. While her vocals have been requested by such iconic gospel artists as Albertina Walker, her true love is leading and ministering to the hearts and souls of people through praise and worship. Currently, she is working on her own material as a gifted songwriter.
